Welcome to Term 3

We hope that you have had a safe and enjoyable holiday and welcome you to Term 3. This first week has been a time of resettling into the routines and learning environment for children and their families. We wish to make welcome Zan Aspin and his family who are new to our kindergarten community.

Staffing

This term we welcome back Angela who has returned from leave. Mandy would like to express her thanks to families for their warm greetings. Our Educators are looking forward to continued partnerships with you, working towards the best possible outcomes for your children.

Attendance

Data is collected by the Department on the number of children attending kindergarten during Weeks 2 and 3 of each term. As this data is used to determine ongoing staffing for the kindergarten, we strongly encourage regular attendance by your child, especially during the next two weeks so that we can maintain our current staffing levels.

Learning Journals

Thank you to those families who have provided feedback and returned their child’s learning journal - we value your comments. If you have not yet returned your child’s learning journal, please do so this coming week.

Art Gallery Excursion

There are only a few more sleeps until our excursion on Thursday, 4th August. This year we will be travelling as one large group, breaking into three small groups for the actual tour of the gallery. Please ensure you are here promptly at 9:00am so that we can make the necessary arrangements prior to our departure.

Once in town we will have a quick snack and drink before the tour starts at 10:15am. After we intend to travel to the Glover Playground in North Adelaide for lunch and a play before returning to kindergarten, returning at approximately 1:45pm. You may collect your child at this time if you desire, or the regular pick up time of 3:00pm.

Please remember to pack: a snack in a disposable bag and a small disposable drink for snack time; and a packed lunch and drink for the playground afterwards. Please ensure everything is clearly named.

Reminders

- We welcome rubber boots for outside play - you may like to leave a pair at kindergarten for your child.
- Especially in this colder wet weather - please pack a labelled change of clothes - or two.
